

8th January 2025

Dear Parents and Carers,

I do hope you all had a restful break and welcome back to Term 3. As always, the children (and staff!) are raring to go!

This term, we extend a warm 'Team Halling' welcome to Miss Heidi Long. Miss Long will be teaching Leopards. Mrs Josie Stone returns from maternity leave and will be teaching across both Flamingos and Gharials. Mrs Ellie Nott (Assistant Headteacher & Curriculum Lead) will be non-class based in order to focus on leadership priorities across the whole school. Our staffing structure can be found [here](#) on our website.

Next, to update you all with our general 'dates and events' newsletter. There are many exciting additional events taking place during Terms 3 and 4 that we wanted to share with you so please do take time to have a look at what is happening and when.

The year group newsletters will soon be available on our website and can be accessed [here](#) by clicking on your child's class and then scrolling down to 'Terms/Topics Information'.

As always, if you have any questions please do catch me, Miss Eakins or Mrs Nott at the gate.

Best wishes and Happy New Year!

Ms Lisa Taylor

Kagan Update

Kagan continues to be a driving strategy for teaching and learning within our school. All classes continue to use it well within their lessons and our five core structures - Rally Robin, Rally Coach, Round Robin, Timed Pair Share and, Stand Up, Hand Up, Pair Up - are fully embedded into lessons.

Class Builders and Team Builders are as important as the structures used in lessons to support teaching and learning. These take place weekly in classrooms (normally on a Tuesday) and encourage social skills, interaction with peers and, they help to bring a different element of fun to the classroom. On our most recent Staff Development Day, teachers and support staff all got very involved in a Class Builder/Team Builder which may well feature next with the children in their classes. Can you guess what they had to do?

'Cheer of the Week' is another element that the children continue to really enjoy and continues at Halling. We always share these on our social media (X) account. Why not ask your child what our 'Cheer' is?

More information about Kagan can be found on our school website - please visit the curriculum overview area for more details:

WOW - The Walk to School Challenge

Halling Primary School has chosen to be part of an exciting behaviour-change initiative to encourage more children and their families to walk to school. **WOW – the walk to school challenge** is delivered by Living Streets, the UK charity for everyday walking, to help as many children as possible to experience the benefits of walking to school.

The pupil-led challenge will see children self-report how they get to school every day. If they travel sustainably at least once a week for a month, they get rewarded with a badge. It's that simple!

What are the benefits of walking to school?

Walking to school helps children feel happier and healthier. They arrive refreshed, healthy and ready to learn. More families walking means fewer cars on the road, helping to reduce congestion and pollution at the school gates.

What if we can't walk to school?

If you live too far away or don't have time to walk the whole way to school, you can Park and Stride to help your child earn their WOW badge. Simply park, hop off public transport or ask your taxi to stop at **least ten minutes away** from the school and walk the remaining journey.

What is a WOW badge?

There is a unique WOW badge to earn every month if you walk, wheel, cycle, scoot or Park and Stride at least once a week. Each badge has been designed by a pupil from across the UK as part of an annual WOW Badge Design Competition.

The badges are made in Cornwall from repurposed plastic material that was otherwise destined for landfill, including fridge trays, plastic plates and yoghurt pot off-cuts. For more information, please visit: [WOW - the walk to school challenge](https://www.livingstreets.org.uk/wow)

In the UK, thousands of schools and around one million pupils are enjoying the benefits of walking to school with WOW. **Will you join us?**

School Bus Project

I would like to start with a BIG thank you to everyone who has continued to come forward with ideas or materials and, offered their services to help support Halling's ongoing bus project!

I just wanted to give you a little update. Over the last few months, we have been working hard to get more things achieved such as, the electrics which have now been completed. We have had new flooring laid upstairs. Downstairs is yet to be finished due to the cold weather. Tables have been built, and seats are starting to take shape with new foam and coverings.

It is all a work in progress which will take time, but we know that the end result will be amazing! We can't wait to see the additional learning environment completed for the children and staff to benefit from.

Thank you again for the support we have had from parents, small companies, children and staff, that have donated and/or given us their time and skills to help us to get to where we are now with our bus!

We are hoping that our bus will be ready for a grand opening at the end of Term 4 or start of Term 5.

Thank you again, Miss Chrissy Jackson (Teaching Assistant)

KS2 Fruit Trolley!

A pupil voice 'Action Team' set up a healthy eating fruit and vegetable tuck shop for the children in Key Stage 2 - Years 3, 4, 5 and 6.

If your child is in one of these year groups and would like to buy a piece of fruit at morning break time, **all items cost 25p.**

This will continue to run as long as there is demand!

Please remember that we are a nut and seed-free school, thank you!

Medicines and Creams

If your child needs to take **any form of medication** (including the application of creams/gels) whilst in school, a **form must be completed.**

Please pop into the office to complete this with Miss Bradley, Mrs Beeching or Mrs Carr-Taylor, so that we can ensure the medication is safely stored and administered/recorded/logged correctly.

Please may we take this opportunity to kindly request that all scooters and bikes continue to be 'walked' when on the school site.

This ensures that everyone is kept as safe as can possibly be during our busy drop-off and pick-up times!

Thank you to all those who do 'walk' them!

CCSN Ink Cartridge Collection

If you have any new/used printer ink cartridges you would like to dispose of, we have a recycling point in the school office and all proceeds go to the 'Critical Care Support Network' charity. They do not accept Laser/Toner cartridges.

Thank you!

School drop-off and pick-up times are always exceptionally busy which is one of the reasons why we have members of staff stationed at the gates. Please do keep a close eye on toddlers who can easily get lost in the sea of parents and carers, as we cannot always guarantee that a member of staff will be on the main car park gate.

Unfortunately, we continue to receive complaints and photographs from residents in the local community who live in the roads closest to our school.

We also regularly receive complaints and photographs from parents and carers who continue to be highly concerned about the safety of Halling's children.

The school run is such a busy time and the roads closest to school always become heavily congested.

The complaints have been in respect of parents and carers parking inconsiderately on the kerb, grass verges and on/or blocking driveways. This has, in turn, forced pedestrians to walk on the road and there have been a few near misses.

The last thing we want is for anyone to get hurt!

Please be respectful of our neighbours and school community.

One of Halling's Core Values is: Respect.

Please may we take this opportunity to kindly remind you that if you are driving onto the school site, the speed limit is 5mph at all times.

Thank you!

Medway Council are still recruiting for a Road Crossing Patrol. Please do share this information with anyone who you think may be interested. They will need to apply online via the Medway Council website.

Thank you!

**SAFER, HEALTHIER
STREETS**

We're updating the way we enforce school keep clear measures at Halling Primary School

We are introducing static camera enforcement to better manage the existing school keep clear measures outside Halling Primary School, on Howlsmere Close.

School keep clear markings provide safe, visible areas for students to cross the road and enter the school grounds. The school keep clear is currently enforced using camera cars and foot patrol officers. By updating to a static camera we can better enforce current restrictions and encourage safer and compliant parking, for the benefit of children, their families and road users.

The enforcement of school keep clear measures is designed to create a clear space for ease of access to

help protect children on their way to and from school.

To ensure the keep clear zone is highly visible for drivers and pedestrians there will be new signage and clearly marked lines painted on the road.

Cameras will be installed from 25 November 2024. These cameras are only used for the purpose of enforcing this parking restriction.

If you have any comments or questions regarding these safety enforcement measures, please email: consultation@projectcentre.co.uk.

Attendance and Punctuality

In order to reduce the number of children arriving late for school in the morning, we thought it would be another good opportunity to remind you of the following points:

- The register for the first session will be taken from 08:45 and will be kept open until 08:50.
- A pupil who arrives late via the office (after the register has closed at 08:50) but before 09:00, will be marked as late, using the L code.
- A pupil who arrives after 09:00 will be marked as late or absent, using the U code (unauthorised).
