Halling Primary School

Phonics and Early Reading Policy

July 2025

Unique Reference Number (URN):	118326
Approved By:	Headteacher
Policy Type:	Non-Statutory
Adopted On:	July 2025
Date of Next Review:	July 2026
Review Period:	Annually

Intent

Phonics (Reading and Spelling)

At Halling Primary School, we believe that all our children can become fluent readers and writers. This is why we teach reading through Little Wandle Letters and Sounds Revised, which is a systematic and synthetic phonics programme. We start teaching phonics in Reception and follow the Little Wandle Letters and Sounds Revised progression, which ensures children build on their growing knowledge of the alphabetic code, mastering phonics to read and spell as they move through school.

As a result, all our children are able to tackle any unfamiliar words as they read. At Halling Primary School, we also model the application of the alphabetic code through phonics in shared reading and writing, both inside and outside of the phonics lesson and across the curriculum. We have a strong focus on language development for our children because we know that speaking and listening are crucial skills for reading and writing in all subjects.

Comprehension

At Halling Primary, we value reading as a crucial life skill. By the time children leave us, they read confidently for meaning and regularly enjoy reading for pleasure. Our readers are equipped with the tools to tackle unfamiliar vocabulary. We encourage our children to see themselves as readers for both pleasure and purpose.

Because we believe teaching every child to read is so important, we have Phonic and Early Reading Leads who drive the Early Reading Programme in our school. These people are highly skilled at teaching phonics and reading, and they monitor and support our Phonic and Reading Team, so everyone teaches with fidelity to the Little Wandle Letters and Sounds Revised programme.

Implementation

Daily Phonics Lessons in Reception and Year 1

- We teach phonics for between 20 and 30 minutes a day. In Reception, we build from 10-minute lessons, with additional daily oral blending games, to the full-length lesson as quickly as possible. Each Friday, we review the week's teaching to help children become fluent readers.
- Children make a strong start in Reception: teaching begins in Week 2 of the Autumn Term.
- We follow the Little Wandle Letters and Sounds Revised expectations of progress:
 - Children in Reception are taught to read and spell words using Phase 2 and 3 GPCs, and words with adjacent consonants (Phase 4) with fluency and accuracy.
 - Children in Year 1 review Phase 3 and 4 and are taught to read and spell words using Phase 5 GPCs with fluency and accuracy.

Daily Keep-up lessons ensure every child learns to read

- Any child in Reception and Year 1 who needs additional practice has Daily Keep-up support and is taught by a fully trained adult.
- Daily Keep-up lessons follow the Little Wandle progression and use the same procedures, resources and mantras, but in smaller steps with more repetition so that every child secures their learning.

Daily phonics and spelling in Year 2

- Year 2 begins by using assessment to ensure that children have completed the Little Wandle Year 1 progression. Any gaps in teaching are addressed through daily phonics lessons until the programme is completed. Corresponding summative assessments are carried out to ensure this content is secure.

- Once the Year 1 content has been taught and assessed, we teach a five-week Phase 5 review. This ensures that children secure the trickier elements of Phase 5 and can apply this alphabetic knowledge in both reading and spelling.
- We use the Phase 5 review assessment before teaching in Year 2 to identify any children who may need more support when teaching. We reassess after teaching the Phase 5 review.
- Once the Phase 5 review is secure; we teach the Bridge to Spelling before moving to the Spelling units.
- Children with larger gaps in their phonic knowledge than their peers have daily phonics teaching and follow the Rapid Catch-up programme.

Children in Year 2 to Year 6: Rapid Catch-up

- We timetable daily phonics lessons for any child in Year 2 and above who is not at age-related expectations for reading or has not passed the Phonics Screening Check. These children urgently need to catch up, so the gap between themselves and their peers does not widen.
- These short, sharp lessons last 15 to 20 minutes daily and have been designed to ensure children quickly catch up to age-related expectations in reading.
- We assess children who are new to our school, new to the country or new to English using the Rapid Catch-up assessments to quickly identify their needs.
- We use the Rapid Catch-up assessments to identify the gaps in children's phonic knowledge and teach these using the Rapid Catch-up resources – at pace.
- We assess children every four weeks using the Rapid Catch-up summative assessments to assess progress and inform teaching.

Teaching reading: Reading practice sessions three times a week

- We teach reading practice sessions three times a week. These:
 - are taught by a fully trained adult to small groups of approximately six children
 - use books matched to the children's secure phonic knowledge using the Little Wandle Letters and Sounds Revised assessments and book matching grids on pages 11 to 20 of 'Application of phonics to reading'
 - are monitored by the class teacher, who rotates and works with each group on a regular basis.
- Each reading practice session has a clear focus, so that the demands of the session do not overload the children's working memory. The reading practice sessions have been designed to focus on three key reading skills:
 - **decoding:** teaching children to use phonic knowledge to read words
 - **prosody:** teaching children to read with understanding and expression
 - **comprehension:** using dialogic talk to help children to understand the text.
- In Reception, these sessions start in Week 4 of teaching at the latest. Initially, children will read wordless books. In these sessions, children review GPCS and are taught blending using teacher-led blending. Once children can blend, they progress onto decodable books matched to their secure phonic knowledge.
- Children read each book three times to develop phonemic awareness, vocabulary and comprehension as well as book behaviours.

- In Year 2, we ensure children complete reading the core programme decodable books (up to Phase 5 Set 5). To exit the programme, we complete the final fluency assessment to ensure children can read with adequate speed and accuracy: approximately 60 words per minute with 90%+ accuracy.
- Reading in Rapid Catch-up lessons mirrors the core programme. Children following the Rapid Catch-up programme are taught to read using the 7+ fully decodable books. These follow the same progression as the core programme but are more appropriate for older readers.

Home Reading

- The decodable reading practice book is taken home to ensure success is shared with the family.
- Reading for pleasure books also go home for parents to share and read to children. We share the research behind the importance and impact of sharing quality children's books with parents through workshops, leaflets and the Everybody read! resources.
- We use the Little Wandle Letters and Sounds Revised parents' resources to engage our families and share information about phonics, the benefits of sharing books, how children learn to blend and other aspects of our provision, both online and through workshops.

Additional reading support for vulnerable children

- Children in Reception and Year 1 who are receiving additional phonics Daily Keep-up sessions read their reading practice book regularly to an adult in school.
- We prioritise children who may not have reading support at home or who may not have access to books. We ensure that they have individual reading times with volunteers and staff to share quality children's literature to promote a love of reading.

Ensuring Consistency and Pace of Progress

- Every teacher in our school has been trained to teach reading, so we have the same expectations of progress. We all use the same language, routines and resources to teach children to read so that we lower children's cognitive load.
- Weekly content grids map each element of new learning to each day, week and term for the duration of the programme.
- Lesson templates, prompt cards and 'How to...' videos ensure teachers all have a consistent approach and structure for each lesson.
- The Phonic and Early Reading Lead and Senior Leadership Team use checklists and templates to regularly monitor and observe teaching; they use the summative data to identify children who need additional support and those with gaps in learning.

Ensuring Reading for Pleasure

'Reading for pleasure is the single most important indicator of a child's success.' – (OECD 2002)

'The will influences the skill and vice versa.' – (OECD 2010)

At Halling Primary, we value reading for pleasure highly and work hard as a school to grow our Reading for Pleasure pedagogy.

- We read to children every day. We choose these books carefully as we want children to experience a wide range of books, including books that reflect the children at Halling and our local community as well as books that open windows into other worlds and cultures.
- Every classroom or shared area has an inviting book corner that encourages a 'love of reading'. We curate these books and talk about them to entice children to read a wide range of books.

- In EYFS, children have access to the reading corner every day in their continuous provision time, and the books are continually refreshed.
- Children from EYFS onwards have a home reading record. The parent or carer records comments to share with the adults in school and the adults will write in this on a regular basis to ensure communication between home and school.
- As the children progress through the school, they are encouraged to write their own comments and keep a list of the books/authors that they have read.
- Children across the school have regular opportunities to engage with a wide range of Reading for Pleasure events, such as, #HallingSummerReadingBingo, author visits, workshops and National events.
- We use the Everybody read! resources to grow our teachers' knowledge of current books, the most recent research and to grow our own Reading for Pleasure practice.

Impact

Assessment

Assessment is used to monitor progress and to identify any child needing additional support as soon as they need it.

- **Assessment for Learning (AfL)** is used:
 - daily within class to identify children who require Daily Keep-up support, as well as words and GPCs that need additional teaching
 - to plan repeated practice throughout the day to ensure all children secure learning
 - weekly in the Friday review lesson to assess gaps, address these immediately and secure fluency of GPCs, words and spellings.

- Summative assessments are uploaded onto the Assessments tracker for Reception and Year 1. These are used:
 - to generate visual reports (pupil heatmaps, pupil trends and books levels, and a summary analysis) for individual children, classes and whole year groups
 - by teachers, Phonic and Early Reading Lead and SLT who drill down and look at the data at GPC, word, tricky word and sentence level
 - by teachers, Phonic and Early Reading Lead and SLT to scrutinise and plan how to narrow the attainment gaps between different groups of children and to put in place any additional support for teachers.

We assess:

- every six weeks to assess progress and to identify gaps in learning that need to be reviewed or retaught
- to establish if learning is secure for more than 70% of children before new content is taught
- to identify any children needing additional support and to plan the Keep-up support that they need

We reassess every three weeks every child who is not on track.

- **Fluency assessments** measure children's accuracy and reading speed in short one-minute assessments. They are used
 - in Year 1, when children are reading the Phase 5 set 3, 4 and 5 books
 - with children following the Rapid Catch-up programme in Years 2 to 6, when they are reading the Phase 5 set 3, 4 and 5 books
 - to assess when children are ready to exit their programme. Year 2 children can exit the Rapid-Catch-up programme when they

can read the final fluency assessment at 60–70+ words per minute. Older children can exit the Rapid Catch-up programme when they read the final fluency assessment at 90+ words per minute. At these levels, children should have sufficient fluency to tackle any book at age-related expectations. After exiting their programme, children do not need to read any more fully decodable books.

- **A placement assessment** is used:
 - with any child new to the school in Reception and Year 1 to quickly identify any gaps in their phonic knowledge and plan and provide appropriate extra teaching.
- The **Rapid Catch-up assessment** is used
 - with any child new to the school in Year 2 and above to quickly identify any gaps in their phonic knowledge and plan and provide appropriate extra teaching.
- **Statutory Assessment**
 - Children in Year 1 sit the Phonics Screening Check in June. Any child not passing the check re-sits it in June in Year 2.
