

Welcome back to Term 4 !

Welcome to Term 4. We hope you have had a relaxing half term and ready for more exciting learning as we transition into Spring !

Miss Master, Miss Staven, Miss Hawkett and Mrs Richards.

Learning focuses

In English this term, we will be focusing on the text *Varjak Paw* By S F Said. To fully support the children's writing, it would be more beneficial if children are not provided with a copy of the book or watch the film at home, as this can hinder the focus of the writing intent.

Maths, our focus is Fractions and Decimals.

We have some fun topics across the rest of the subjects, including:

- Romans in History,
- Mountains in Geography.
- Electricity in Science.
- Cityscapes (Jacquette) in Art.
- Gymnastics and Tennis in PE.

Important information.

Later this year (June 2026) we have the Year 4 multiplication check. Please encourage your child to practice on TTRS as often as they can to supplement the practice and learning we will be doing in school.

Reading is the other most important skill that your child needs to practice. We ask that your child reads with you a minimum of 3 times a week – a good way to check their understanding is to ask them questions about what they have read. A handy question sheet has been stuck into the back of their contact book to help you.
