## Upcoming Learning

### English

In English, we will be exploring Kenning poetry, oral storytelling and Nim's Island by Wendy Orr. We will be looking at many different genres/styles of writing and applying key features within our own writing. We will continue to explore different areas of SPaG each week and embed these within our writing.

### Maths

In Maths, we will be continuing with fractions and starting to find fractions of a set of objects. We will also be learning about money – adding, subtracting, and converting it between pounds and pence. Finally, we will start to look at telling the time and accurately reading both analogue and digital clocks.

### Curriculum

In History, we will be learning about the Ancient Egyptians. Specifically, about where Egypt is and why the River Nile was important as well as hierarchy. In Geography, we will be learning about the features of a river and how different types of mountains are formed. In Science we will be looking at plants.

### PE

This term we will have **Outdoor PE on Tuesday afternoons** and **Indoor PE on Thursday afternoons**. Please ensure you wear your PE kit on that day. **Earrings are not to be worn during PE lessons**, so it is advised to keep them at home.

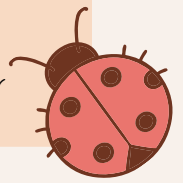

## Welcome back!

We hope you had a lovely Easter break and didn't eat too much chocolate!

We are looking forward to Miss Long starting in Pelicans too.

As always, any questions or queries, please speak directly to your class teacher.

Mrs Stone, Miss Edwards, Miss Long and Mr Collins

## Reminders

-Homework will be **set on a Friday** and due **back on Wednesday**.

- Please remind your child that it is their responsibility to change their reading book; we will continue to remind them here too!
- Please continue to encourage children with reading, homework, TTRS and Spelling Shed as these will have a great impact on their learning.
