

YEAR 3

NEWSLETTER

Upcoming Learning

English

In English, we will be exploring 'Cloud Busting' by Mabrie Blackman. This story is a different style for the children as it's written entirely in prose! Through this, they will be writing poetry, biographies, reports and speeches. As always, we will be embedding SPaG knowledge throughout each of our English lessons daily.

Maths

Within the last term, we will continue learning about time, before moving onto angles. We will also be learning about shape and consolidating our learning in this area. Finally, we will finish with a unit on statistics.

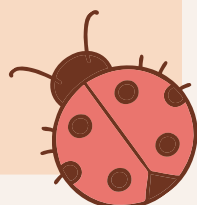

Curriculum

In history, we will be learning about the Egyptians and Anglo-Saxons. We will learn about who they are and how they came to Britain. We will also explore how they changed Britain and their beliefs. In geography, we will be learning about the water cycle, rivers and flooding.

In science we will be looking at forces and magnets. We also have some exciting lessons planned in our other subjects!

PE

This term we will have Outdoor PE on a Tuesday afternoon and forest school on a Thursday Afternoon. Please ensure you wear your PE kit/bring forest school equipment to school on these days. Earrings are not to be worn during PE lessons, so it is advised to keep them at home.

Welcome back!

Can you believe we're already on the LAST term of Year 3? I hope you're ready for a long, exciting term with lots going on!

As always, any questions or queries, please speak directly to your class teacher.

Mrs Stone, Miss Edwards, Miss Long and Mr Collins

Reminders

- Homework will be set on a **Friday** and due back on **Wednesday**
- Please remind your child that it is **their responsibility** to change their reading book, but we will continue to remind them here too!
- Please continue to encourage children with reading, homework, TTRS and Spelling Shed as these will have a great impact on their learning.
