

# Welcome back to Term 6!

Welcome to Term 6. We hope you have had a lovely half term in the sun! We can't believe we are nearly at the end of the school year. We still have lots of learning to squeeze in which we know Year 4 will enjoy.

Miss Master, Miss Staven, Miss Hawckett and Mrs Richards.

## Learning focuses

In English this term, we will be focusing on the text *The Miraculous Journey of Edward Tulane* by Kate Di Camillo. To fully support the children's writing, it would be more beneficial if children are not provided with a copy of the book at home, as this can hinder the focus of the writing intent. The children are more than welcome to read the rest of book at the end of term .

In Maths, our focus will be statistics, geometry and position and direction. We have some fun topics across the rest of the subjects, including:

- Vikings in History.
- Natural Disasters in Geography.
- Food Chains and Digestion in Science.
- Renaissance ( Leonardo De Vinci) in Art.
- Rounders and Crickey in PE..

## Important information.

We strongly advise you to encourage your child to practice on TTRS **daily** to supplement the practice and learning we will be doing in school.

Reading is the other most important skill that your child needs to practice. We ask that your child reads with you a minimum of 3 times a week - a good way to check their understanding is to ask them questions about what they have read. A handy question sheet has been stuck into the back of their contact book to help you.
