

Term 6

Year 5 Newsletter

In English, we will be exploring 'Floodland' by Marcus Sedgwick. We will cover setting description, persuasive speech, narrative and other genres of writing.

In Maths, we will continue to use the White Rose scheme and will be finishing our decimals unit before moving onto negative numbers, converting units and we end with volume. Times tables underpin all the work that we do in maths, so continue to practise as much as you can on TTRS.

In Term 6, we continue to look at World War II in History, biomes in Geography and reversible and irreversible changes in Science. We also have some great lessons planned in Art, DT, Computing, French, RE, PSHE and music.

We hope you had a lovely half term break. It is unbelievable that we are into the final term of the school year!

Miss Leese, Mrs Reid, Mrs Medhurst and Mrs Markey are always here to help and answer any questions that you may have.

PE

Outdoor P.E. continues to be on **Monday afternoon** and Indoor P.E. on **Tuesday afternoon**. Please ensure that children come to school wearing their P.E. kits that are following the uniform policy, with earrings removed and long hair tied back.

Homework

Homework is handed out on a **Friday** and is due in by the following **Wednesday**.

Spelling tests take place every Friday, with dojos being awarded for scores of 8+.
